STUDENT JURY

How much do you know about the changes in the number of extreme weather events and how it will impact your community?

RURAL  
CLIMATE  
DIALOGUES

## Morris, MN

*We talk about liberal-this, conservative-that; republicans-this, democrats-that. At the end of the day, we are our government.*

*We are the ones responsible for making these decisions. I'm thrilled and honored to be a part of a process that reminds me why this grand experiment continues."*
